## High Flight

JOHN GILLESPIE MAGEE, JR.

*Oh! I have slipped the surly bonds of Earth  
And danced the skies on laughter-silvered wings;  
Sunward I've climbed, and joined the tumbling mirth  
Of sun-split clouds, — and done a hundred things  
You have not dreamed of — wheeled and soared and swung  
High in the sunlit silence. Hov'ring there,  
I've chased the shouting wind along, and flung  
My eager craft through footless halls of air. . . .*

*Up, up the long, delirious burning blue  
I've topped the wind-swept heights with easy grace  
Where never lark, or ever eagle flew —  
And, while with silent, lifting mind I've trod  
The high untrespassed sanctity of space,  
Put out my hand, and touched the face of God.*
